ACTIVITY 054

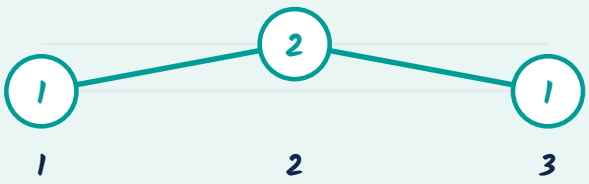

Echo With Consent

Connection & Confidence

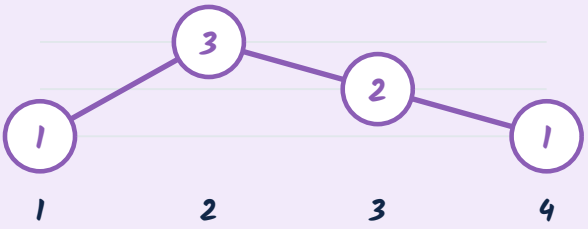

5 minutes / Short three-note model.

Make echo leading inviting rather than compulsory.

OPTION A

OPTION B

Either choice can be useful

A volunteer may sing, point to a pattern, or let the director lead.

1. The director sings a simple pattern and the group echoes together.
2. Invite a volunteer to choose one of two provided patterns to lead, with the director beside them.
3. Thank the leader and return to a full-group response; never call on an unwilling singer.

DIRECTOR'S CUE

Volunteers can lead without others being pressured to take a turn.

COMMON TRAP

Calling a volunteer turn compulsory.

MAKE IT WORK

A volunteer may point to a written pattern instead of singing it first.
