ACTIVITY 055

One Helpful Thing

Connection & Confidence

5 minutes / A brief group performance.

Build useful peer feedback without personal criticism.

FOCUS

Clear final words

OBSERVE

"I noticed the group..."

REPEAT

Keep the useful behaviour

Describe something audible; avoid judgements about someone's voice or talent.

1. Choose one shared focus, such as clear final words, before singing.
2. After the passage, partners describe one specific thing they heard that supported that focus.
3. The choir repeats the passage, keeping the useful behaviour rather than trying to fix everything.

DIRECTOR'S CUE

Feedback describes observable musical actions, not talent or personality.

COMMON TRAP

Commenting on talent rather than an audible action.

MAKE IT WORK

Use the sentence 'I noticed the group...' to avoid evaluating an individual voice.
