ACTIVITY 069

Silent Pitch Recall

Pitch & Listening

5 minutes / One reference pitch.

Recall a starting pitch after a brief period of silence.

Hear / imagine during two silent beats / return / compare with the reference.

1. Hear a comfortable note, sing it for two beats, then rest for two silent beats.
2. Think the note without humming, then sing it again and compare with the reference.
3. Extend the silent gap to four beats only after the shorter version is reliable.

DIRECTOR'S CUE

The returning pitch remains close to the reference without audible rehearsal in the gap.

COMMON TRAP

Audibly rehearsing during the silent gap.

MAKE IT WORK

Keep a very short gap or use a hand sign showing the imagined note.
