ACTIVITY 087

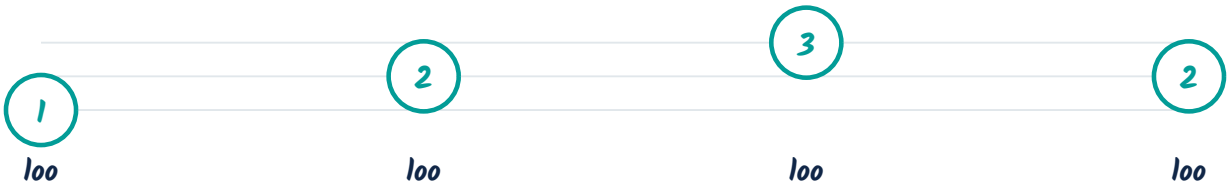

Articulation Contrast

Expression & Interpretation

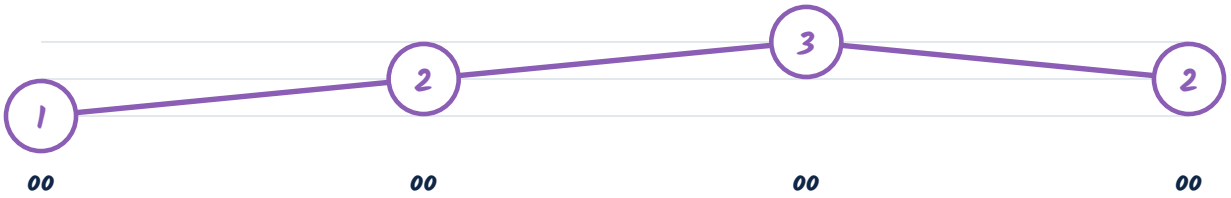

5 minutes / A four-note phrase.

Choose between connected and separated delivery intentionally.

SEPARATE SYLLABLES

ONE CONNECTED LINE

Same notes and pulse: choose a connected or gently separated delivery for a reason.

1

Sing the phrase smoothly on 'loo', then repeat with gently separated syllables.

2

Describe how the two versions change its character while keeping tempo and pitch the same.

3

Apply the version that suits the text and style, then explain the choice.

DIRECTOR'S CUE

The selected articulation is consistent across the ensemble.

COMMON TRAP

Changing tempo while comparing articulation.

MAKE IT WORK

Use spoken syllables if singing both versions becomes tiring.
