Carry meaning through a connected phrase.

A simplified teaching example: restore the words without losing the vowel line.

00:00 to 01:00

Arrive

Speak the lyric and choose one word as its destination.

01:00 to 03:00

Breathe & speak

Mark a breath that supports that meaning without splitting a word.

03:00 to 06:00

Easy sound

Sing a three-note 'loo' line with a gentle forward sense.

06:00 to 09:00

Coordinate

Sing the actual vowels toward the selected word, keeping surrounding syllables clear.

09:00 to 12:00

Transfer

Restore the words and ask listeners which word carried the message.

WATCH FOR THIS

The restored text remains as connected as the vowel-only version.
